WESTENDORFF

114 SAINT PHILIP STREET | CHARLESTON, SC | THEWESTENDORFF.COM

THE WESTENDORFF is set in what was once a hardware store, owned and operated by the Westendorff family for nearly 100 years. Our restoration includes the original stucco and exterior signage from the 1920s, fireplaces from 1905 and interior stairs milled from the original quarter sawn pine floor joists. The framed pictures at our booths contain images of the Westendorff family through the years, many taken in their apartment on the second floor where they lived until the early 1980s. **EXECUTIVE CHEF** Blake Joyal

MAIN FLOOR contains our full service restaurant with covered patio. It is a food lovers gathering place where guests can feel comfortable alone, on a date, in a group or just communing at our dining counter. Our “rustic new American” menu features a variety of “elevated comfort” selections presented 7 days a week, with brunch every day and dinner every evening.

SECOND FLOOR is our large banquet space, with dining room, bar and piazza. It serves as our family style event space for seated groups up to 60 guests. Visit www.thewestendorff.com for details.

THIRD + FOURTH FLOORS is a beautifully furnished two-bedroom residence with piazza and chef’s kitchen. It is available for short-term rentals or full service events. The large kitchen island seats up to 15 guests and is ideal for private dinners, cooking demonstrations, birthday parties, chef’s tastings, etc. while the wide porch is perfect for cocktail functions.
